Rental Policy & Deposits

All prices are per day. A weekend is charged as one day. Pick up is 12:00PM Friday and return is 10:00AM Monday. We require a credit card and government issued photo identification for all rental orders as deposit for the replacement cost of the rental equipment. Check with our staff for deposit requirements. Some rentals require proof of insurance. Deposit requirements are waived for account customers.

Pick up

All equipment is checked to ensure good working order by our staff prior to leaving Pro Camera. We must be notified immediately of any equipment problems. No credit can be given if customer fails to notify us. The renter is responsible for the proper use and care of all equipment. Scratches and undue wear will be charged accordingly.

Reservations & Cancellations

Please call in advance to reserve equipment. Failure to cancel your order within 24 hours prior to pick up will result in a full day rental charge.

Loss Or Theft

Renters will be charged the day rate for equipment that is lost or stolen until Pro Camera is reimbursed for the replacement cost.

Rental Rates

All items listed are billed as a 3 day week except large /medium format digital & computers. Which are billed at 4 day week.

Insurance

Renters of the equipment accept full responsibility for any loss or cost of repairs due to damage while in the renter's possession. Insurance coverage is the responsibility of the renter. Adequate coverage for the full replacement value of the equipment is required for rentals exceeding \$15,000.00.

***A Note About Compact Flash Cards....**

Compact flash cards are basically digital film. We strongly suggest the renter use his or her own CF cards. All of our rental digital cameras and backs come with one CF card as a courtesy. All cameras and cards are thoroughly tested, however failure or corruption can occur and Pro Camera Rental & Supply cannot be held responsible.

Shipping Equipment Out of Town

You must have an account with us. Minimum billing on all equipment we ship is 2 days. **Pack to fly fee is \$5 per case.** Travel time is one day each direction at no charge. Renter shall pay all transportation, shipping and delivery fees. Time is of the essence. Renter must report any damage to equipment immediately upon receipt. If you need equipment shipped it is a good idea to call in advance. Equipment can be specially packaged to air travel for a fee.

Medium Format Digital Backs are 4 day billing for the Week

Phase One Digital Backs

The P+ series is the next generation of digital backs. By raising the standard of digital image quality - flexibility - speed and durability - this series offers new opportunities which include : Noise-free exposures of up to 1 hour. Noise-free capture ensures less noise at all ISO settings and breaks limits on the ability to work in very low light. Extraordinary color reproduction delivering high color accuracy in deep shadows and perfect skin tones. Phase Ones IIQ RAW file format speeds up the image capture and file transfer. Increases the storage capacity by turning the full 16 bit image data into a compact RAW file format. The default IIQ RAW-large format is completely lossless.
